Re: NEW(FM); Pittsburg, TX
Facility ID No. 176468
Millennium Broadcasting Corporation
BNPED-20071019ADV

Dear Applicant:

This letter refers to the above-captioned application for a new non-commercial educational FM facility to serve Pittsburg, TX.

An engineering study of the application reveals that it is in violation of 47 C.F.R. § 73.509 with respect to the co-channel Class C license (BLED-20000410ABF) for KVTI(FM), Dallas, TX. Specifically, the proposed protected contour (60 dBu) would receive overlap from the interfering contour (40 dBu) of KVTI. This constitutes an acceptance defect.

In light of the above, Application BNPED-20071019ADV is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and is HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

Rodolfo F. Bonacci
Assistant Chief
